Gloucester Towne's Management Report

Meeting Date: November 26, 2018

Prepared by: Carole Rowell

I. Financial Update

1. Monthly financial statements were sent to all commissioners separately.
2. Recent RAD conversion phase II has been completed. HUD will be assigning a HUD team member to handle the phase III (final stage) of the RAD conversion. As of 11/19/2018, GCHA has not been notified of the HUD phase III RAD specialist. This final phase is expected to be completed by 3/31/2019.
3. PSE&G Energy Saving Program: Gloucester Towne has been qualified/approved to participate in the program. Gloucester Towne will receive approximately \$81,558.55 in energy efficient electrical fixtures (LED). Thirty percent (30%) of the cost for GCHA will be paid back at zero percent interest or \$679.65 per month. The projected energy costs savings are \$1035 per month. This will produce an approximate \$355 monthly NET savings. The next steps after signing the contract will be a pre-contract meeting, then it will take 4-5 weeks for the materials to be delivered. Start of the electrical fixture replacements to begin mid/end of January 2019. It is recommended that this contract be signed.
